

TRAIN OF THOUGHT

MON VALLEY RAILROAD HISTORICAL SOCIETY, Inc.

August, 2023

EDITORS NOTE

The Back to School Open House is now less than three weeks away. We need everyone's help in making it a great success. An email will soon be sent out asking for volunteers to work the event, Please help!

Work sessions are now scheduled for each layout. Members who want to help with the HO scale layout are meeting on Tuesday afternoons from 1pm til 4pm. O gauge layout sessions are on Sundays from 1pm til 4pm and work sessions for the N scale layout are on Monday evenings from 6:30 til 8:30pm. ALL members are welcome to come to any or all sessions and help us build our new layouts. The more help we have the quicker the work will progress. This means our loyal fans out there in the public will see more progress.

National Model Railroad month is in November and we usually have a one day Open House. We will discuss this possible event at the business meeting.

HO Scale:

Keith D. commended Dave E., Frank B. for their assistance with the ongoing effort to complete the supports and benchwork for the second level. Gary D. finished installing electrical conduit throughout the layout, including outlets in appropriate locations. Local controls for interlocking are under construction and a desk for the operator's office arrived and is ready for assembly. The N scale layout will be the beneficiary of a gift card to the Society from Get A Hobby in Uniontown, PA. Details for making purchases will be worked out with the Treasurer.
