

TRAIN OF THOUGHT

MON VALLEY RAILROAD HISTORICAL SOCIETY, Inc.

July, 2023

EDITORS NOTE

July, the height of Summer. I hope everyone had a happy and safe Fourth. Members continue to work on our new layouts. The HO team is meeting almost every Tuesday afternoon from 1pm til 4pm. If you have some time to lend a hand it would be most appreciated. The O gauge layout is progressing with more foam added to the mountain areas. The N scale layout is also beginning construction. Each of these groups could use an extra hand or two with building the layouts.

The Back to School Open House is set for August 26 & 27, 2023 and we want to be able to show all our fans the progress that we have made since Spring. I'm looking forward to showing off our new railroads and proud to be part of such a dedicated group!

National Model Railroad month is in November and we usually have a one day Open House. We will discuss this possible event at the business meeting.

Model Railroading is Fun!

Minutes continued from Page 1

Membership (Rich H.):

We now have a total of 37 paid members, including Ryan M., who joined last month. Rich H. moved that we accept another new member, Daniel G., attending this and a previous meeting. Second by Gary D. Approved unanimously. Daniel is a WVU student and is interested in 3D printing. Welcome Daniel!!

Donations (Rich H.):

Karl Herget Velde donated \$50 in memory of Michael Paine, per Keith D. There were \$9 in the caboose.

Old Business:

The discussion of limits on credit card sales was tabled until relevant members can be included.

New Business:

Dave E. raised the potential issue of July 4th and vacations conflicting with the business meeting. No motion, only discussion. The meeting will normally take place on July 6th.

LAYOUTS:

O Gauge (Rich H.):

Filling in foam in various places in preparation for eventual scenery support. The layout will be running, hopefully with a functioning yard, wiring, uncouplers and lighting, for the August Back to School Open House. Dave E. reported excellent progress on the control panel and related wiring.

HO Scale (Gary D.):

Gary D. reports that Conduit installation continues, with some wires in place. Keith D. reported that the now regular Tuesday afternoon work sessions have resulted in significant progress on the upper level into the North Bend area. Adequate stocks of plywood remain to build to Maryville

Station. Track and switches on order are expected to arrive in the coming week. A few additional angle brackets are needed, and larger / non-standard brackets may be used inside the West Allegheny loop.

N Scale Layout: Rich H. reported foam was purchased, as relayed from Wally V.

For the Good of the Order:

Nothing reported.

Motion to adjourn from Rich H., seconded by Keith D. Meeting adjourned at 7:24pm.
