

TRAIN OF THOUGHT

MON VALLEY RAILROAD HISTORICAL SOCIETY, Inc.

November, 2023

EDITORS NOTE

November is National Model Railroad month and we are less than two (2) weeks until our one day Open House on Saturday, November 11th from 10am til 4pm. We need workers for this event, Please set aside some time to help. This open house is the time for us to show the public that model railroading is a wonderful & fulfilling hobby. It's a time we can show people how proud we are of our hobby and Society!

Work sessions will soon wrap up for a short time. We need to clean up our clubhouse. As we finish working, we need to throw away trash, put away tools & construction materials and make the society shine for our guests. Please help!

Finally, we are back up to forty (40) members, which makes all the more important that we have at least ten (10) members present at business meetings. Our Society can't hold a valid meeting unless enough members show up on business meeting Thursdays. Please try to make it to meetings.

Model Railroading is Fun!

from 10 to 4 honoring National Model Railroad Month will go out on October 16th. Rich prepared flyers which are available in the Society lobby area.

Fundraising :(Eric H.)

The committee has had informal discussions of ideas for bringing in revenue streams. Rich H. mentioned reinstating the Visiting Engineer Program. Previously we requested a \$5 donation in exchange for the opportunity to operate a train from one end of the layout to the other. The committee will meet briefly following the business meeting.

Membership: (Rich H.)

No changes.

Donations:(Rich H.)

A small donation was received recently.

Old Business:

None reported

New Business:

Wally V. offered to have a crank organ and a parrot outside the Society entrance to attract visitor to our Holiday Open House. So moved by Rich H., seconded by Jon H., approved unanimously without further discussion.

Richard T. mentioned the issue of sales of Jon H's products when Jon is not present. Jon will look into providing a tablet set up to handle purchases. The question of how to handle credit card service fees came up. Jon suggested that a member selling products or the Society accepting a credit card for a purchase should cover any such fees. This matter will be brought to a vote once a system is in place. Wally V. moved that members be made aware that prices should reflect increased cost due to fees. The motion was seconded by Rich H. and approved unanimously.

Keith D. moved that member email addresses be omitted from future newsletters. This follows a recent spate of spam messages to members. Second by Wally V., unanimous approval.

LAYOUTS:

O Gauge :(Rich H.)

Progress continues with rock wall, tunnel portals, etc., gluing down paper towels in preparation for final scenery materials.

HO Scale: (Keith D.)

The upper level grade construction over Maryville is progressing and additional track was painted recently.

Gary D.: Mainline switch controls are now working and focus now moves to reverse staging.

N Scale Layout: Max McD .:

Track work is slowly progressing as switch wiring is taking some time. West side turnouts are ready to connect. Track will be glued down soon with the hope of being operational by the Holiday Open House. Control panel construction is under way.

For the Good of the Order:

Rich H.: The Mid-Ohio Valley Model Railroad Club hosts their Model Train Show and Sale at WVU Parkersburg on October 28th.

Meanwhile, the Kruger Street Toy and Train Museum hosts multiple events in November and December, including the Kruger Street Model Train Show on Sunday, December 10th from 10am to 2pm. Dealer set up at 9am.

Keith D.: Keith and Frank B. will go to the Berea, OH train show on Saturday, October 7th with room for two additional passengers.

Wally V. described upcoming Osher Lifelong Learning Institute (OLLI) events: Beginning

Railfanning with Ed Johnston on October 17th, and a presentation on the East Broad Top RR on November 19th.

Richard T. related his experiences riding the Tygart Valley Flyer recently.

Jon H. mentioned plans for A-frame signs, a book cart for the lobby and the need to refresh the lobby displays.

Bill H. discussed the need to better coordinate lighting and which switches to turn off at the end of a session. Dave E. suggested color dots (sale tags) to better indicate which switches to throw.

Adjournment: 7:37pm following multiple motions and seconds.
